

■ NOTICE TO ALL OYSTER BAY RESIDENTS ■

Dogs Must Be on a Leash in Public Areas

Dear Residents of **Oyster Bay / Oesterbaai**,

We kindly remind everyone that dogs may not roam freely in public streets, open spaces, or parks. According to Kouga Municipality's By-law relating to the Prevention of Public Nuisances and Keeping of Animals (2024), all dogs must:

- Be on a leash and under control of a responsible person when in public
- Not chase, frighten, or be a nuisance to other people or animals
- Not leave mess in public spaces — owners must pick up dog waste immediately

Dogs found wandering without supervision may be impounded by Law Enforcement, and owners may face penalties.

This notice is to ensure the safety and comfort of all in our community — including our pets.

Kind Regards,
Riekie

■ KENNISGEWING AAN ALLE OESTERBAAI INWONERS ■

Honde Moet aan 'n Leiband in Openbare Gebiede Wees

Beste Inwoners van **Oesterbaai / Oyster Bay**,

Ons herinner almal daaraan dat honde nie vrylik in openbare strate, oop areas of parke mag rondloop nie. Volgens Kouga Munisipaliteit se Verordening oor die Voorkoming van Openbare Gedrag en die Aan-hou van Diere (2024), moet alle honde:

- Aan 'n leiband wees en onder beheer van 'n verantwoordelike persoon in openbare gebiede
- Nie mense of ander diere jaag, bang maak of hinder nie
- Eienaars moet enige hondemis onmiddellik verwyder en behoorlik weggooi

Honde wat sonder toesig rondloop, kan deur Wetstoepassing in hegtenis geneem word, en eienaars kan 'n boete kry.

Hierdie kennisgewing is in belang van almal in ons gemeenskap — ook ons troeteldiere.

Vriendelike Groete,
Riekie
